

To whom it may concern:

My name is Nitin Dua and I am the Director of Business Development at Market Traders Institute, Inc. We opened an office in Mexico City, Mexico on September 1, 2008. At the time, we were oblivious on how to enter the market and how to set up our company.

I reached out to Ricardo Resendiz and he supported us with setting up our company, bank accounts and helped us understand the labor and tax laws. Ricardo is a man of great integrity, is extremely dedicated to his work and his clients, and is punctual. As a result, we signed an agreement with Ricardo for his legal services and are satisfied with his dedication to us.

Furthermore, he is educated on both Mexican and U.S. Law and this is a great benefit because he can understand our point of view as a U.S. based company when dealing with situations in Mexico.

I highly recommend Ricardo Resendiz for his legal services.

Yours faithfully,
